About Us

“ Connecting Excellence,
Delivering Quality:
Your Trusted Partner in
Arab Trade. “

In 1971, The **Arab Trade Centre** was officially established by the Egyptian Minister of Economy and Foreign Trade as a branch of Misr Import and Export Co. in Qatar under the sponsorship of, and in partnership with **Darwish & Company Ltd.**

With the outright ownership of Ahmed Kassim Darwish Fakhroo in 1983, the Arab Trade Centre's worldwide reputation has tremendously increased, as it represented many companies from most Arab countries, Europe and the Far East through importation of foodstuff, textiles and fabrics, stationeries, kitchenware and outdoor cooling system, and has participated in various Qatari tenders.

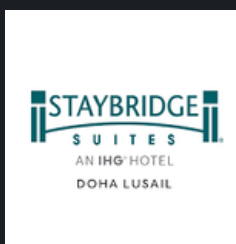

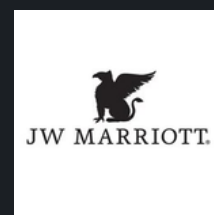

Arab Trade Centre specializes in the import, distribution, and wholesale supply of foodstuffs, household goods, textiles, and stationery, representing leading international and regional brands in the Qatari market. Our scope of work includes participating in government and private tenders, providing brand management and retail operations, and offering complete logistics and supply chain solutions. With a strong focus on quality assurance, compliance, and timely delivery, we ensure reliable service to retailers, institutions, and corporate clients across Qatar markets.
